FREQUENTLY ASKED QUESTIONS

- **What is a charter school?** A charter school is an independently run public school that is granted greater flexibility in its operations, in return for greater accountability for performance. New York charter schools must have their charters renewed every five years. Charter schools accept students completely at random through a lottery.
- **Is there a cost to attend your school?** Absolutely not. Charter schools are tuition-free, like all public schools. All students, regardless of background, are eligible to submit an application for the lottery.
- **Do you provide transportation and breakfast and lunch?** Yes. Students at our school are eligible for the same transportation provided for all eligible New York City public school students. We provide free breakfast and free lunch to all our students as well.
- **My child is on an IEP or receiving other special services, can you accommodate his/her needs?** Yes. We work with the student’s Committee on Special Education to accommodate all children and their individual learning needs.
- **Does your school provide services for English Language Learners?** Yes, services are available to support children who are English Language Learners.
- **Is there a school uniform?** Yes, the school uniform consists of khaki pants/khaki skirts and Oxford-style shirts and sweaters with the school logo purchased through Lands’ End.
