### Frequently Asked Questions

- **What is a charter school?** A charter school is an independently run public school that is granted greater flexibility in its operations, in return for greater accountability for performance. New York charter schools must have their charters renewed every five years. Charter schools accept students completely at random through a lottery.
- **Is there a cost to attend your school?** Absolutely not. Charter schools are tuition-free, like all public schools. All students, regardless of background, are eligible to submit an application for the lottery.
- **Do you provide transportation and breakfast and lunch?** Yes. Students at our school are eligible for the same transportation provided for all eligible New York City public school students. We provide free breakfast and free lunch to all our students as well.
- **My child is on an IEP or receiving other special services, can you accommodate his/her needs?** Yes. We work with the student's Committee on Special Education to accommodate all children and their individual learning needs.
- **Does your school provide services for English Language Learners?** Yes, services are available to support children who are English Language Learners.
- **Is there a school uniform?** Yes, the school uniform consists of khaki pants/khaki skirts and Oxford-style shirts and sweaters with the school logo purchased through Lands' End.

### Community School District Preference – Important Information

(\*Note: Only necessary for 5<sup>th</sup> grade lottery applicants who are applying before April 7, 2010)

Based on legislation passed in the spring of 2007\*, all New York City charter schools must give preference to students residing in the Community School District (CSD) in which the charter school is located. However, students who reside outside the CSD are eligible to apply and may be admitted if space permits.

- **Williamsburg Collegiate Charter School is located in CSD #14**
- **Kings Collegiate Charter School is located in CSD #18**
- **Bedford Stuyvesant Collegiate Charter School is located in CSD #16**
- **Brownsville Collegiate Charter School is located in CSD #23**
- **Brooklyn East Collegiate Charter School has a proposed location in CSD #23**
- **Ocean Hill Collegiate Charter School has a proposed location in CSD #23**

\*Amended New York Charter Schools Act of 1998, section 2854(2)(b)

To determine your CSD, please visit the New York City Department of Education website: <http://gis.nyc.gov/dcp/at/fl.jsp>. Type in the two pieces of address information at the top of the page (Address number, Street or Place Name), choose the borough in which you reside and press Go. **Please note that this website is for informational purposes – you will receive confirmation of your CSD after you submit an application and proof of address.**

Your CSD is based on the school district listed at the bottom of the page. Your child will be given preference in the lottery if you reside in the same CSD as the school you are applying to for either the elementary school or the middle school. (Sometimes the districts will be different, sometimes the same.) If you are unable to access this website, please call the Office of Family Engagement and Advocacy at 212-374-2323.

**Acceptable Proofs of Residency**

To verify that your address is located within the Community School District in which a Collegiate Charter School is located, you must provide one of the following documents. (Copies of these are acceptable.)

Accepted Documents	Valid Date for Document
A residential utility bill (gas or electric) in the resident’s name issued by National Grid, Con Edison or the Long Island Power Authority	Within 60 days prior to application submission
Document on letterhead from federal, state or city agency – including City Housing Authority or the Human Resources Administration – which states home address	Within 60 days prior to application submission
Official payroll documentation from an employer such as a form submitted for tax withholding purposes or a payroll receipt	Within 60 days prior to application submission
An original lease agreement, deed or mortgage statement for the residence	Any date
A current property tax bill for the residence	Must cover time period including date of app. submission
A water bill for the residence	Past six months

**If subletting or residing in a home where the parent is not a lease-holder:** You must provide a notarized “Address Affidavit” signed by both the primary leaseholder and the parent affirming that the family is residing in this home. Please submit one of the forms of proof above that shows the leaseholder’s name.

**If you do not provide one of the above-listed documents to a Collegiate School’s Main Office by the application deadline of 6:00 PM on Wednesday, April 7, 2010, your child’s application will be entered in the lottery for admission, but will not be eligible for CSD preference.**

The following are NOT acceptable forms of proof of address:

- Cable bill
- Driver’s license
- Letter from an employer
- Medical or insurance card
- Phone bill

**Please note that we reserve the right to ask for additional documentation to establish that your address is within the school’s CSD. In addition, we reserve the right to expel any student if false CSD documents have been submitted with the application.** Any questions about determining your CSD must be resolved in advance of the application deadline on April 7, 2010 to ensure your child has been properly registered for the lottery.

NOTE: It is your responsibility to ensure that each school to which you are applying has received a copy of your application and proof of residency documentation (if applicable). When a school receives your application, it will give or send you a receipt form clearly noting that it has received your application and that you are either:

1. ineligible for CSD preference, in which case your application is complete and you are enrolled in the lottery
2. eligible for CSD preference and have submitted acceptable proof of residency, in which case your application is complete and you are enrolled in the lottery and will receive CSD preference
3. eligible for CSD preference and have NOT submitted acceptable proof of residency, in which case your application is incomplete, you are enrolled in the lottery and will not receive CSD preference unless proof of residency documents are submitted to that school by the application deadline.
